

Fungicides

Vivando® 500 SC

Suspension Concentrate

Plant Protection and Inspection Services License. No.: 4148/חנ/12

Fungicide against powdery mildew in cucurbits, mango, apple and vines and to kill powdery mildew in tomatoes, peppers and eggplants

Package: 1 liter

Contains: 500g metrafenone/l

Group: 50

General: Vivando is a fungicide of a new group (U8). Active ingredient: Metrafenone. The product excels in killing powdery mildew. No resistance detected against the product and no cross-resistance with other powdery mildew killers. The product is rapidly absorbed by foliage and even if it rains one hour after spraying, spray efficiency is not impaired. The product is active for up to two weeks.
